De J Ball & Co., Ocu i to:

Genllemen—Your Patent Eye Cups a e. in my judgment, the most splendid triumph which opt can science has ever schieved, but, like all great and important truths in this or in any other b anch of science and philosophy, have much to contend with from the ignorance and previous of a too sceptical public; but it is mighty and will prevail, and it is only a question of time as regards their general acceptance and endorsement by all. I have in my hands certificates of persons testifying in unequivocal terms to their merius. The most prominent physicians of my country ecommend your Eye Cups. I am, respectfully.

WE BEATLET, M. D., Salvisa, Ky., writes: Thanks to you to the most to you in merius. Wx Brater, M. D., Salvisa, Ky, writes: Thunk-to you for the greatest of all inventions. My sight is unly restored by the use of your latent Fye Cups, af-ter being almost entirely blind for twenty-six years. AIRX, R. WYETE, M. WAGONS.

For the protection of dur interest we are compelled to call attention to the imposition practiced by parties, who are selling plews under the name of "Southern Cipper," or the "Improved Senthern Cipper," thereby misleading parties who know the general reputation of the genuine Southern Cipper Plows as made by the Parst & Bradies Manufacturing Company of Chicago. Again, some manufacturers are using the words Southern Cipper or their flows for the purpose of selling their inferior goods on the reputation of a first class article. New plows are now being introduced in this section under the above names, yet hearing a different brand, which have cust points, while our plows have all. Forgen Powers and so of the best Syran, and no castings are used in their construction. The genuine Southern Cipper Plows, are, as they are branded, the "Garran Cirt Southern Chitago," are made by the Parst & Bradley Manufacturing Company of Chicago, and all purchasers should see that the names of these manufacturiers are on the Prows and the words "Garran Cirt Southern Cipper and the log of the beam. DES CIT SOUTHERN CLIPTED ATE OF the top of the beam STONE & KEATING, State Agents. Some time ago certain competitors of ones issued a fifthy circular with a view of influencing the public against us. We descreed it prucent conscienting the source, to let it pass without notice, but recent add thous compel us to answer in defense. The wagon sign betieves we leave to the public, or to some lucky fellow anxious for the reward. We would suggest to the detective, however, to commence near home to find the hatchet that did the villations work. Now for the cast point business: We are the parties who said it and we are ready to prove what we said, and we offer

Two Hundred Doilars Reward to anybody proving that they are sot cast points; and we would further add that not only are the points cast, but the guoda restaired to otherwise hear the mark of shouldy. Even the maker of makers name do a not appear upon them. It may be, though we have been in the pless business a number of years, that our shoulden is immed; we are truly thankful, however, trul a "longer residence" will rectify this. Our worthy competitions deciration, however, must be proposed before coming well rectify this. Our worthy competitions or contaction, however, must have been beginned before coming sent residences as a great as what he promises us, if, as it some, he does not yet know the cast point from a forged steel point.
